

2026 LOVELAND PRODUCTS FINANCING PROGRAM

At Nutrien, our approach integrates best-in-class financing options with cutting-edge agronomy services to maximize the potential of every acre for growers. By aligning these two crucial components, we create a synergy that ensures our growers have access to the resources they need to optimize their yields and profitability. Our comprehensive financing solutions provide the necessary support for investments in top-tier agronomic products and technologies, allowing growers to implement the best practices tailored to their unique conditions. This aligned strategy is at the heart of our commitment to helping growers succeed and thrive in an ever-evolving agricultural landscape.

Eligible Products	Registration Period	Finance Rate	Due Date
	October 1, 2025 - September 30, 2026	Fixed 4.9% APR ¹	December 2026

OFFER CONDITIONS

- All Loveland Proprietary Products are eligible for financing
- Growers must purchase and be invoiced for eligible products by September 30, 2026 to be eligible for the program

BRIDGE FINANCING

- Nutrien Financial customers may register a commitment to lock in the best terms, rates & incentives of the program year, before a prior year's bill is due, without increasing a credit line. Accounts may not bridge more than the total credit line and must have available credit at time of invoicing.
- Any early registrations & incentives will be canceled if prior year's balances are not paid & applied by the next, month-end statement date, including any accrued interest or past due finance charges, after due in full. If canceled, customers may re-register once their account is in good standing. Current program terms, rates and incentives will apply at the time of the new registration

APPLY TODAY

Growers must have an approved credit limit through Nutrien Financial to participate in the program.
